

September 24, 2024

Dear valued customer,

We are writing to inform you of some changes to Optimum Nutrition's packaging.

We are excited to announce that we are making some important changes as part of our ongoing Sustainability Programme. We continue to work towards our **Better Nutrition, Better World** target, which is 100% of our consumer packaging being recyclable, reusable or compostable by 2030.

Tamper Evident Bands:

- All single use-plastic TE "Tamper Evident" bands on our tubs will be removed in favor of using only induction seals for product integrity and safety.
- There will be **no change** to FG or UPC codes, label die lines or pallet configurations.

The following products will have a TE band removal (Induction seal already in place):

- Glutamine Powder
- Creatine Powder
- Opti Men Multivitamin Tablets
- Opti Women Multivitamin Tablets
- Caps: BCAA, Glutamine, Creatine, HMB, etc.
- Amino Energy Powders (65/72srv)

The following products will have a TE band removal and the addition of an Induction seal:

- Gold Standard Whey Protein
- Serious Mass
- Casein Protein
- Platinum Hydrowhey Protein
- Gold Standard Plant Protein
- Gold Standard Pro Gainer
- Gold Standard Isolate Protein
- Performance Whey Protein
- Performance Isolate Protein

Tamper Evident Stickers:

The following products will have a TE sticker removal (Induction seal already in place):

- Amino Energy Powders (30srv)
- Gold Standard Pre-Workout
- Platinum Igniter
- Pre-Workout Amplifier

Glanbia is a Better Nutrition company whose purpose is to deliver better nutrition for every step of life's journey. While we are proud of what we have achieved to date, we are constantly challenging ourselves to do more.
